Please discuss this with the reception staff.</p>	<p>Management of patient health information Our practice is committed to maintaining the confidentiality of all medical information and records in accordance with best practice guidelines. Should you require your records to be transferred to another health practitioner, our practice policy requires a request in writing or via email. CHC Medical will forward a health summary at no charge, should you require your full records this will incur a fee of \$50.00.</p>												

Patient Rights

Patients have the right to participate in decisions about their healthcare.

Engaging with other services & referrals

Our practice regularly engages with local health services such as pathology, specialists, allied health, and hospitals. If required, your GP will provide sufficient information (referral letter) to plan and facilitate optimal patient care.
